rather disparate references in an effort to find all the claimed features clearly indicates the use of hindsight analysis. As there is nothing to suggest combining the references other than this hindsight analysis, it is respectfully requested that the rejection be withdrawn.

As such, the references do not suggest the subject matter claim 16 for all the reasons discussed above with respect to claim 13 and for the additional features recited therein. Therefore it is respectfully requested the rejection be withdrawn.

In view of the foregoing, it is respectfully submitted that this application is in condition for allowance. Favorable reconsideration and prompt allowance of at least 13, 16 and 18-21, claims and preferably all claims 1-21 are earnestly solicited.

Should the Examiner believe that anything further would be desirable in order to place this application in even better condition for allowance, the Examiner is invited to contact the undersigned at the telephone number set forth below.

Respectfully submitted,
